Return pages 2, 3, and 9 of this application packet, TEAS Result, Essential Standards document and all unofficial transcripts to <https://bccc.instructure.com/enroll/N3TM7Y> by **Friday, March 6, 2026, 4pm.**

Dental Hygiene is a special admission, limited enrollment program with first year students beginning each fall. Resources, such as clinical facilities and faculty, as well as accreditation standards, limit the number of applicants accepted into the program. **Acceptance into the program is competitive. The BCCC College Application must be completed first: <http://www.bccc.edu/admissions>.** Currently twenty-five students are admitted into the Dental Hygiene program annually.

All applicants must meet minimum requirements and specific deadlines for ranking. **Meeting minimum requirements does not guarantee admission.** Applicants who have completed minimum requirements must attend an information session in order to be considered. The applicant is responsible for submitting a complete application packet. Students not admitted to the program that wish to be considered for the following year must **re-apply**.

By law, the State Board of Dental Examiners may deny licensure for a variety of reasons. This can include conviction of a felony or of a crime involving moral turpitude if the nature of the offense bears directly on the fitness of the person to practice Dental Hygiene.

Application Process

- I. The BCCC College Application <https://www.bccc.edu/dental> must be completed prior to submitting the Dental Hygiene application packet. Submit all official transcripts to the Registrar's Office at transcripteval@bccc.edu or by mail: BCCC Registrar, 2901 Liberty Heights Avenue, Baltimore, MD 21215.

The following steps must be completed by March 6, 2026.

- II. See II. Dental Hygiene Selective Admission Criteria and Process on pg. 4.*
- Submit the Dental Hygiene Application to <https://bccc.instructure.com/enroll/N3TM7Y> (Include copy of ALL unofficial transcripts, TEAS Results, signed Essential Standards document etc.)
- Attend a mandatory Dental Hygiene Applicant Information Session (schedule included on **pg. 8**). Application will **not** be ranked if not in attendance of **one** session.
- Take the mandatory BCCC placement tests (if applicable).
- *NEW* BCCC's Biology Placement Examination**
Baltimore City Community College students applying for admission into programs in the School of Nursing and Health Professions may only be exempt from General Biology (BIO 101) by taking the Biology Placement Exam or have successfully completed BIO 101 or BIO 102, or a higher-level Biology course (excludes BIO 107, BIO 212.) The exam is administered in the Testing Center, Main Building, Room 57 during the published testing hours.
- TEAS Test Results for Allied Health (maximum 2 attempts; must not be older than one year.) TEAS Test can be taken at the BCCC Testing Center, Main 57, 410-462-7666. Or visit the following website to take the TEAS Test: <https://www.atitesting.com/teas/register>
- Meet the Pre-Dental Hygiene Admissions Requirements.
- Have an official high school transcript or GED score mailed to the Admissions Office. (**Official transcripts** must be sent directly from the school to BCCC's Registrar's Office and have the school's seal or original signature).
- Have **Official transcripts** from all colleges and/or universities attended since high school sent to the Registrar's Office (must be in a sealed envelope from the colleges and/or universities) or emailed to transcripteval@bccc.edu. The transcripts will be reviewed for possible transfer credit. See Student Checklist on page 9. **You must also upload a copy of all unofficial transcripts to the Canvas file.**

SIGN AND DATE BELOW.

All applicants must return this Application Packet, specifically, pages 2, 3 and 9, no later than **Friday, March 6, 2026, by 4pm.**

I understand that this application **DOES NOT GUARANTEE admission into the Dental Hygiene Program**. I also understand that I must attend a Program Information Session after completing minimum requirements for ranking, and I understand that if I do not attend the required Program Information Session that I will not be considered for program admission. I certify that the above information, as well as the information provided in the BCCC Dental Hygiene Application for Admission is correct, and I understand that falsification of information could lead to dismissal if I am accepted into the program.

Dental Hygiene Associate of Applied Science Degree

Dental Hygiene Selective Admission Criteria and Process

Listed below are the requirements that must be completed by all students seeking admission in the Associate of Applied Science Dental Hygiene Program.

- Completed BCCC College Application must be submitted prior to applying to the program.

Prerequisites for admission into the Dental Hygiene Program include:

The following to be completed prior to the Spring Semester for Fall Pre-Clinical admission.

1. All developmental coursework (math, reading and writing sequence), if applicable, with a grade of “C” or better.
2. Completion of PRE 100, ENG 101, BIO 107 (or BIO 202 and BIO 203), BIO 212, and CHE 105.
3. Overall G.P.A. of 2.5 or greater on a 4.0 scale (Applications will not be ranked if G.P.A is lower than 2.5).
4. A grade of “C” or better must be achieved in all science courses. Science courses must be completed within five (5) years of admission to the Dental Hygiene Program. Science course (s) can only be repeated twice within a 5-year timeframe. Preparatory or Developmental Science courses grades cannot be used in calculating the science GPA.
5. Mandatory Dental Hygiene Information Session Attendance (must be present for mandatory video).
6. All applicants must take the current Test of Essential Academic Skills for Allied Health (TEAS)(2 attempt limit). **Test scores must not be older than one year.**
7. All applicants must pass the Biology 101 Placement Exam (if applicable) or successfully complete BIO 101 or BIO 102 or a higher-level Biology course (excludes BIO 107, BIO 212.)
8. All applicants must meet the college’s computer literacy requirement by either taking CLT 100 placement exam at the BCCC Testing Center or taking CLT 100 course or its equivalent.
9. All applicants must read, sign, and date the Dental Hygiene Essential Standards document.

Application will be available on the Dental Hygiene webpage in late October.

Ranking System for Admission to Dental Hygiene Program

NOTE:

BCCC reserves the right to modify the above regulations/requirements and point designations at any time in the student’s enrollment. The outlined point system should not be deemed an irrevocable contract between Pre-Dental Hygiene Students and Baltimore City Community College.

BCCC Dental Hygiene Applicants

- Applicants not admitted to the program who wish to be considered the following year must **re-apply**.
- Applications will be ranked according to the procedures above to determine their total points.
- Students with the highest total points will be accepted for the 25 seats in ranked order. In case of applicants with the same number of total points, the applicant who has submitted her/his application first will get the first consideration.
- Applications with requirements completed by the Fall deadline will be ranked first. Other applications may be considered for admissions if requirements will be completed by Spring (based on seat availability).
- **It is strongly recommended that students complete all non- DHE/DSE courses prior to acceptance into the Dental Hygiene Program.**

NOTE: To be considered, the application packet must be received by the deadline date and be complete.

Notification letters will be emailed in **early May**. Applicants will have **5 days** to formally declare their acceptance of the program, no exception. If you do not meet the minimum requirements, were not accepted or you declined your admission, **you must submit a new application** if you wish to be considered for the next year. You must also attend another Mandatory Dental Hygiene Program Information Session.

Do not contact the Dental Hygiene Program. If you have not received notification of your application status by June 5, please contact the School of Nursing and Health Professions Admissions Coordinator, Ms. Shaneen McNamee at 410-209-6045, smcnamee@bccc.edu.
