FREE courses providing instruction and practice in conversation, grammar, listening, reading, and writing.

The Community ESL Program provides beginning and intermediate level courses to Maryland residents with limited English language and literacy skills. Free courses provide instruction and practice in conversation, grammar, listening, reading and writing in the context of both life and work skills. Emphasis is placed on developing proficiency as part of students' career pathways.

This diverse program serves adult students of all ages and ethnic backgrounds.

Many classes are held online via Zoom.
