

BCCC

Baltimore City Community College

FASHION DESIGN, AAS

Associate of Applied Science

BCCC offers several options in the area of Fashion Design: two different two-year courses of study leading to the Associate of Applied Science Degree in Fashion Design (or a Fashion Retailing concentration within that degree) and a 43-46 credit Certificate in Fashion Design. Students who choose the Fashion Design Degree, will receive a technical background in illustrating original designs, pattern making, and clothing construction to transform their designs into finished garments.
