

BCCC

Baltimore City Community College

ARTS AND SCIENCES TRANSFER, **MUSIC**

Area of Concentration
Associate of Arts

Pursue your dream and study music at Baltimore City Community College, whether you are a community member looking to enrich your life by taking a course in music or a full-time student with the goal of transferring to a university to complete a bachelor's degree.

Studies include: Composition, Conducting, Ear Training, Music History, Music Theory, Piano, Performances, Private Lessons, and Sight Singing.

With an associate degree in music, you are able to secure a career position based upon your specialty area in the industry as a business music manager, educational music coach, performer, production manager, song writer, or a sound engineer technician.
